10.1 Works & Services Report

Location:	Cunderdin
Applicant:	Acting Manager Works & Services
Date:	11 December 2012
Author:	Acting Manager Works & Services
Item Approved by:	Chief Executive Officer
Disclosure of Interest:	Nil
Attachment/s:	Nil

Cr Doug Kelly left the Council chambers at 1:30pm.

Proposal/Summary

Council is to receive the Works and Services Report for December 2012.

Construction

The 3.5km section of the road which joins the Cunderdin town boundary is to be revisited with a view to sealing the gravel shoulders. It is proposed that this will be actioned following the Cunderdin District High School Car Park and Cubbine Street projects. MRWA are currently doing design plans and cost estimates for the upgrades.

The Grain Freight Network works within the Shire of Bruce Rock have been completed.

Regional Road Group

Shoulder reconstruction and pavement correction north of Matthews Road has been completed on the Cunderdin-Wyalkatchem Road. Reseals are to be done on two sections between Minnivale and Matthews Roads in the New Year.

Quelagetting Road

Shoulder reconstruction over a four kilometre section from Minnivale road is in progress with approximately 10% completed.

General

Routine maintenance works being carried out throughout the Shire and on a as needs basis.

Footpath/s Construction

Footpath construction program is still to be prepared in accordance with Council resolution.

Manager Works & Services Position

Mr Alan Haslett has been appointed Acting Works and Services Manager for three months. The CEO is endeavouring to appoint someone permanent to the position in February of next year.

Attachment/s:	Nil

Proposal/Summary

To inform Council of its investments as at 30th November 2012.

Background

The authority to invest money held in any Council Fund is delegated to the Chief Executive Officer. Council Funds may be invested in one or more of the following:

- Fixed Deposits
- Commercial Bills
- Government bonds
- Other Short-term Authorised Investments

Council funds are to be invested with the following financial institutions.

- Major Banks & Bonds Issued by Government and/ or Government Authorities.

Commentary

10.2 Cunderdin Airfield Pavement Assessment

Location:	Cunderdin Airfield
Applicant:	Chief Executive Officer
Date:	7 December 2012
Author:	Peter Naylor
Item Approved by:	Chief Executive Officer
Disclosure of Interest:	Nil
Attachment/s:	19 Pages CONFIDENTIAL

Proposal/Summary

For Council to consider the Expressions of Interests received (4) to undertake the Pavement Assessment at the Cunderdin Airfield.

Background

Council has received grant funding through the Regional Airports Development Scheme to carry out various works at the Cunderdin Airfield.

One of the identified tasks is to carry out an assessment of the existing pavement at the Airfield, and to also assess the neighboring green-field sites in view of future extension of the runway/s should that be necessary.

An advertisement calling for Expressions of Interest (EOI) was placed in the West Australia Newspaper on Saturday 8 September 2012.

At the close of the EOI period four proposals were received.

The Chief Executive Officer (CEO) engaged the services of Mr Ken Flecknell of Strategic Safety Alliance to assist with analysing the EOI's. Mr Flecknell has a lot of experience in the aviation industry and knowledge of the Cunderdin Airfield having been involved with previous works at the site.

Unfortunately it was difficult to accurately assess the proposals and select a suitable consultant due to the submissions not being easy to compare due to varying alternatives being included.

The CEO and Mr Flecknell prepared a format to be forwarded to each of the proponents requesting information to be provided in a more easily identifiable way for ease of comparison.

The revised formats have now been received from each of the four proponents and analysis carried out by Mr Flecknell.

Comment

Mr Flecknell's cost comparison report, along with the four proposals submitted, is included as an attachment to this report.

Mr Flecknell is recommending that Council consider awarding the Cunderdin Airfield Pavement Assessment to AURECON. AURECON seem to offer the best value for service and coincidentally they provided the lowest priced Expression of Interest.

Consultation

Mr Ken Flecknell, Strategic Safety Alliance.

10.3 Tammin 2 Cunderdin Adventure Run - Road Closure Application

Location:	Cunderdin
Applicant:	Andrea Myers
Date:	7 th December 2012
Author:	Community Development Officer
Item Approved by:	Chief Executive Officer
Disclosure of Interest:	
File Reference:	
Attachment/s:	14 Pages

Proposal/Summary

For Council to consider the part closure of Lundy Avenue from Memorial Drive turn off to Carter Road/ Cubbine Street, Cubbine Street between Main Street East and Lundy Avenue and Main Street East for approximately 300m east of the Intersection of Main Street East and Cubbine Street, Cunderdin, on Sunday 30th December 2012.

Background

Ms Andrea Myers has organised the first Tammin 2 Cunderdin Adventure Run to be held on Sunday 30th December 2012. Ms Myers successfully organised the Quairading Marathon recently with 45 people participating in the event. It is anticipated that more will register for the Tammin Run.

The Shire of Cunderdin is the Auspicing Organisation on behalf of Andrea Myers for the purposes of a funding submission made to Healthways for \$5,000. Confirmation of funding has been received with funding to the value \$2,500. Local business sponsorship to the value of \$700 has been received up to the date of this report. Sponsorship from One Life Suicide Prevention for media and promotion has increased the public awareness of the race as a recent 2 hour radio broadcast across the Wheatbelt has resulted in more expressions of interest in the Run.

Ms Myers is seeking Council approval for part closure of Lundy Avenue from Memorial Drive turn off to Carter Road/ Cubbine Street, Cubbine Street between Main Street East and Lundy Avenue and Main Street East for approximately 300m east of the Intersection of Main Street East and Cubbine Street, Cunderdin, on Sunday December 30th 2012 from 9.00am to 10.30am whilst the runners/walkers are actively on the road during the race.

Traffic will still be able to access Lundy Avenue from the Western approach and via Memorial Avenue during the closure time.

Comment

This is the first race of what is hoped to be a yearly event and drawcard to attract visitors to the Shire.

Council has the capacity in accordance with the provisions of S3.50 of the *Local Government Act 1995* to support the application.

There is a requirement for local public notice to be given to the local community and effected business and land owners/occupiers.

Consultation

Cunderdin Police

Local community and business and property owners/occupiers, via local public notice mail out

Statutory Implications

Local Government Act 1995

3.50. Closing certain thoroughfares to vehicles

(1) A local government may close any thoroughfare that it manages to the passage of vehicles, wholly or partially, for a period not exceeding 4 weeks.

(1a) A local government may, by local public notice, order that a thoroughfare that it manages is wholly or partially closed to the passage of vehicles for a period exceeding 4 weeks.

(2) The order may limit the closure to vehicles of any class, to particular times, or to such other case or class of case as may be specified in the order and may contain exceptions.

[(3) deleted]

(4) Before it makes an order wholly or partially closing a thoroughfare to the passage of vehicles for a period exceeding 4 weeks or continuing the closure of a thoroughfare, the local government is to —

(a) give local public notice of the proposed order giving details of the proposal, including the location of the thoroughfare and where, when, and why it would be closed, and inviting submissions from any person who wishes to make a submission; and

(b) give written notice to each person who —

(i) is prescribed for the purposes of this section; or

(ii) owns land that is prescribed for the purposes of this section;

and

(c) allow a reasonable time for submissions to be made and consider any submissions made.

(5) The local government is to send to the Commissioner of Main Roads appointed under the Main Roads Act 1930 a copy of the contents of the notice required by subsection (4)(a).

(6) An order under this section has effect according to its terms, but may be revoked by the local government, or by the Minister, by order of which local public notice is given.

[(7) deleted]

(8) If, under subsection (1), a thoroughfare is closed without giving local public notice, the local government is to give local public notice of the closure as soon as practicable after the thoroughfare is closed.

(9) The requirement in subsection (8) ceases to apply if the thoroughfare is reopened.

11 Planning & Development

11.1 Proposed Water Pipeline Upgrade - Meckering

Location:	Pert-Kalgoorlie Railway Reserve & Stewart Rd, Meckering
Applicant/s:	Water Corporation
Date:	5 December 2012
Author:	Dan Ho, Town Planning Consultant, City of Canning
Item Approved by:	Chief Executive Officer
File Ref:	
Attachment/s:	5 Pages

Proposal/Summary

To consider the construction of a new pipeline located parallel to existing pipes, approximately 15m to the north of the existing pipes current alignment. The majority of works are to be within the Shire of Cunderdin and located predominantly in the Perth – Kalgoorlie Railway Reserve. The proposed pipeline will also cross a portion of Stewart Road.

Background

Zoning: Local Scheme Reserve 'Railways'.

The Water Corporation is intending to replace a 5.4 km section of the Kalgoorlie main conduit west of Meckering as part of its ongoing refurbishment works. The conduit is part of the Goldfields and Agricultural Water Supply Scheme.

The following report has been prepared in response to the application for a single 1,000mm diameter underground pipeline. The proposed pipe is to replace the existing above ground pipes (two x 675mm diameter). The two existing above ground pipes are to be retained as it is part of the National Heritage List and protected under the *Environmental Protection and Biodiversity Conservation Act 1999*.

Comment

The land associated with the proposed development is predominantly reserved for 'Railways' purposes under the Shire's Local Planning Scheme No 3. The proposed pipeline will also cross a portion of Stewart Road.

Clause 3.4.3 of the Scheme requires planning approval from the Shire for all developments within a local reserve, the Shire will have regard to the ultimate purpose of the reserve and matters set out in clause 10.2 of the Scheme.

The ultimate intent of the reserve is for railway orientated functions. The applicant has referred this proposal to the responsible agency for the railway reserve The Public Transport Authority for consultation. The Transport Authority responded with a letter of authorisation dated 14 September 2012 supporting the proposed development.

As stated the proposed pipeline will cross Stewart Road. The subject road is an unsealed road under the control of the Shire of Cunderdin. The Applicant has provided written confirmation that the crossing of Stewart Road will be undertaken via Horizontal Thrust Boring and therefore will not have a significant impact on the road surface. The Department of Regional Development and Lands has provided their authorisation supporting the proposed development.

The proposed development does not facilitate to the ultimate purpose of the reserve however given the nature of the development and the support of the Public Transport Authority it is considered that the development is supportable given these circumstances.

11.2 Yilgarn Street Residential Subdivision – Street Names

Location:	Yilgarn Street, Cunderdin
Applicant/s:	LandCorp
Date:	5 December 2012
Author:	Peter Naylor
Item Approved by:	Chief Executive Officer
File Ref:	
Attachment/s:	6 Pages

Proposal/Summary

For Council to consider the naming of the streets (two or four) within the Yilgarn Street, Cunderdin, Residential Subdivision.

Background

This matter was previously presented to the Ordinary Meeting of Council held on Thursday 15 November 2012. At the meeting Council resolved:

“To get a list of street names off John and Faye Harris from their designs for the Cunderdin Crest Estate for Council to consider at the special meeting 23 November 2012”.

The information was obtained from Mr & Mrs Harris and circulated to Councillors for comment and also forwarded to the Geographical Names Information Officer at Landgate for advice prior to formally presenting to Council.

Unfortunately this information wasn't available for presentation to the Special Meeting of Council on 23 November.

Comment

Mr & Mrs Harris provided the following proposed names for consideration (a map indicating the streets to be named is included as an attachment to this item):

JENZEN LINK: The first name on the original title.

DAIRY LANE: Dairy cows were first to graze this land.

BILL BARRY RESERVE OR BARRY RESERVE: The second name on title, Lived in a tin hut near those gum trees and fig tree. I think the fig tree has been scraped away.

HARFIELD DRIVE: Harfield is a combination of Harris and Bunfield early farming partners north cunderdin. The farm is still in the Harris Name.

In relation to the proposed names, the Geographical Names Information Officer provides the following comments:

With reference to your email below and the information contained in the email from the Harris family I can advise that:-

- *Bill Barry Reserve is not suitable for a road name as this is a double barrel name and Reserve is not a road type. However assuming this is a deceased person, the name Barry could be used as a road name with a compliant road type i.e. Barry Road, Barry Way, Barry Street etc. Additional details on the origin would be necessary (approximate date lived on the site/ background to the person i.e. farmhand etc)*
- *Combining names for road names are not acceptable therefore Harfield Drive is not be supported, the road type Drive is also not supported given the extent of the road. The name Harris is already used for a road in the Shire, as such the name could not be duplicated, however the name Bunfield could be used if after a deceased person – i.e. Bunfield Street or Parkway, Road etc. The name Harris could be applied as the park name for the public open space (Harris Park) if the origin recognises a deceased person (i.e. early pioneer). The site is over 1 hectare therefore it could not be named after a living person. Relevant origin information would be required (full name or initials etc. – background dates, occupation etc).*
- *Jenzen Link – assuming this is a deceased person, the name Jenzen is suitable however the road type Link is no longer permitted therefore an alternative road type would be required i.e. Terrace, View, Vista, Road, Way etc. Further origin details would also be required (year / full name – initials etc).*
- *Dairy Lane is suitable.*

Should the Shire wish to proceed with a formal approval of the road names and park name, please forward your advice on the final selected names together with some more origin details (full name, dates etc) relevant to proposed names. Please refer to the attachment to assist with choosing replacement road types.

The response and advice from Landgate has been referred to Mr & Mrs Harris for their consideration, and the Chief Executive Officer has had follow up contact with them to try and address the issues raised by Landgate and reach an amicable solution.

Mr & Mrs Harris understand the framework within which Landgate needs to work and through discussions have arrived at a compromise situation whereby a suitable Resolution can be submitted. It is being recommended that the following names be submitted to Geographical Names Committee at Landgate for consideration.

- Barry Street
- Bunfield Street
- Jenzen Terrace
- Dairy Lane
- Harris Park

Should Council support the Resolution the Chief Executive Officer will continue to work with Mr & Mrs Harris to gather the historical information required to present to Landgate.

Consultation

Mr John & Mrs Faye Harris
Jan Lonsdale, Geographical Names Information Officer, Landgate

Statutory Implications

Land Administration Act 1997 – section 26A Names of roads and areas in new subdivisions.

Seconded: Cr _____

Vote: **Absolute** majority

Carried/Lost: ___/___

Resolution 11.2

That Council:

1. **Adopts the following street and park names for the Yilgarn Street, Cunderdin, Residential Subdivision and they be submitted to the Geographical Names Committee at Landgate for formal approval:**
 - **Barry Street**
 - **Harfield Street**
 - **Jenzen Terrace**
 - **Dairy Lane**
 - **Harris Park**

2. **Authorises the Chief Executive Officer to work with Mr John & Mrs Faye Harris to gather the historical information required by Landgate to support the recommended names.**

Moved: Cr Dennis Whisson

Seconded: Cr Clive Gibsone

Vote: Absolute majority

Carried: 5/0

Note: Council replaced the name “Bunfield” Street (as per the Recommendation) with “Harfield” Street due to the historical significance of the name (Harfield) to the local area. The name “Harfield” continues to be the name of a local farming property.

11.3 Proposed Extension to Existing Workshop at Lot 2 Great Eastern Highway, Cunderdin

Location:	Lot 2 Great Eastern Highway, Cunderdin
Applicant/s:	Giuliana Nicoletti
Date:	5 December 2012
Author:	Dan Ho, Town Planning Consultant, City of Canning
Item Approved by:	Chief Executive Officer
File Ref:	
Attachment/s:	5 Pages

Cr Todd Harris left the Council chambers at 1:54pm

Proposal/Summary

To consider the construction of a lean-to at Lot 2 Great Eastern Highway, Cunderdin. The proposed extension will cover a total area of 360m² and will have a maximum roof height of 6.07m.

Background

Zoning: Town Centre
Lot area: 10,000m²

The following report has been prepared in response to the application for development approval lodged with the Shire of Cunderdin. The site has an existing workshop and two existing outbuildings.

An assessment of the application in the context of the current statutory planning framework and a final Resolution regarding the general suitability of the proposed development is provided to assist in the decision making process.

Comment

The proposal provides for an extension to an existing general industry use at Lot 2 Great Eastern Highway, Cunderdin. Under the Shire's Local Planning Scheme No 3 (LPS3) a general industry use class is a non-permitted use within a site zoned Town Centre.

The existing workshop has been operating on site for a number of years, prior to the Gazettal date of the Scheme. As such the use is considered to be a non-conforming use and as provided in clause 4.8(a) of the LPS3, no provision of the Scheme is to be taken to prevent the continued use of any land for the purpose for which it was being lawfully used immediately prior to the Gazettal date.

Clause 4.9.1 of the Shire's LPS3 requires a person must not, alter or extend a non-conforming use, without first having applied for and obtained planning approval under the Scheme.

The proposed extension 'lean-to' will cover a total area of 360m² and will have a maximum roof height of 6.07m. The extension provides setbacks of 35m or greater to the rear and side boundaries.

The application meets all other planning requirements as set out under the Shire's Town Planning Scheme No 3. Conditional approval is therefore recommended.

Consultation

In accordance with clause 4.9.2 of the Shire's LPS3, the proposed extension was referred by letter to three (3) adjoining landowners for a 14 day advertising period between 21 November 2012 to 5 December 2012. On closure of the referral period one (1) no objection was received with two (2) no submissions.

The following table summarises the response:

Submission No and Address	Summary of Submission	Officer Comment and Resolution
1. Lot 6 Great Eastern Highway, Cunderdin	No objection	Noted

Statutory Implications

Planning and Development Act 2005
Shire of Cunderdin Town Planning Scheme No 3

Policy Implications

Nil

Financial Implications

Nil

Strategic Implications

Shire of Cunderdin Local Planning Strategy (LPS) – The proposed development maintains the aims and objectives of the Local Planning Strategy.

Resolution 11.3

That Council approve the application, subject to the following conditions:

- 1. The proposed development is to generally comply with the submitted plans approved on 13 December 2012 and stamped accordingly.**

Advice Notes

- a. This approval does not authorise the commencement of any building works. The applicant is advised that a building permit must be obtained prior to the commencement of any works. To obtain a building permit it will be necessary to submit documentation in compliance with the Building Regulations, including plans incorporating all conditions of this approval, specifications and structural drawings.**

11.4 Proposed Mobile Food Van - Forrest St, CUNDERDIN

Location:	Forrest St, CUNDERDIN
Applicant/s:	Mr & Mrs Carpenter
Date:	10 th December 2012
Author:	J Jurmann (Shire of York, Manager Planning Services)
Item Approved by:	Chief Executive Officer
File Ref:	
Attachment/s:	4 Pages

Cr Todd Harris returned to the Council chambers at 2:00pm
Cr Todd Harris left the Council chambers at 2:05pm
Cr Todd Harris returned to the Council chambers at 2:07pm

Proposal/Summary

The Shire of Cunderdin has received a request from Mr and Mrs Carpenter who currently operate the Pit Stop Café to set up a mobile food van opposite the Museum on Great Eastern Highway/Forrest Street, Cunderdin.

This report outlines the planning considerations of the request and outcomes of initial consultation with Main Roads WA.

It is recommended that the Shire grant temporary approval for a trial period and that a formal planning application be received prior to the expiry of the trial for consideration of Council.

Background

The applicants have operated the Pit Stop Café at 89A Main Street, Cunderdin for a period of four years. They have recently been given notice to vacate to enable a pharmacy to be established on the premises. Unfortunately they have been unable to find suitable replacement premises and have purchased a mobile food van from New South Wales to continue their business.

They are requesting Shire approval to locate the van on land adjacent to the Museum and advise that the van will be removed each day following the close of trading. Refer to Appendix 1 for a map of the proposed location.

Consultation

Initial consultation has been conducted with Main Roads who have advised that they will not provide owner's consent or approval on traffic grounds for the proposed location.

Statutory Environment

Cunderdin Town Planning Scheme No. 3

The subject land is reserved for road purposes and in accordance with Clause 3.4 of the Scheme, a person must not commence or carry out development on a reserve without the prior obtaining planning approval from the local government in accordance with Part 9 of the Scheme. Where land is reserved for the purposes of a public authority, the local government must consult with a public authority before determining a planning application. The ultimate purpose of the reserve and matters set out in Clause 10.2 must also be considered.

Part 8 of the Scheme sets out the requirements for Development of Land and Clause 8.2 enables Council to permit development (i.e. not require a planning application) for any works which are temporary and in existence for less than 48 hours or such longer time as the local government agrees.

Part 9 of the Scheme sets out the requirements for applications for planning consent, which must be made on the application form contained in Schedule 6. It is stipulated that the form must be signed by the owner in Clause 9.1.1. In this instance, as proposed, the form must then be signed by Main Roads as owner of the land. However, Main Roads have indicated that they will not approve or provide owner's consent for the operation of the van in the location identified by the applicant.

A planning application received by the Shire for use of a reserve must be considered in accordance with Part 9. Clause 9.4 sets out the requirements for advertising of applications and therefore any planning application received for the use or development of a reserve must be advertised in accordance with the provisions of the Scheme.

In summary, under the provisions of the Cunderdin Town Planning Scheme No. 3:

1. Main Roads have indicated that they will not give owner's consent, and therefore the proposed location is considered unacceptable.
2. Council can grant approval under the provisions of Clause 8.2 for the operation of the mobile food van on Shire owned/controlled land for a temporary period (say 3 months), which could also act as a trial to enable full assessment of the proposal.
3. Council can then require the submission of a planning application prior to the expiration of the temporary period.

Policy Implications

Any planning application will be assessed in accordance with the provisions of the Cunderdin Town Planning Scheme No. 3. The construction and operation of the mobile food van must also meet all relevant health requirements, such as solid and liquid waste disposal, toilet facilities and supply of potable water. Toilet facilities are available at the Museum.

Financial Implications

Granting of temporary approval to operate a mobile food van in one location will provide a suitable interim arrangement to enable the business to continue.

The applicant is responsible for the planning application fees and advertising costs.

Strategic Implications

The Cunderdin Community Strategic plan identifies the following goals:

Social

- Grow and build the population base.
- Improve community spirit, collectively caring for each other.
- Build an active community, increasing participation and ownership.

Environmental

- Maintain and enhance the natural environment and resources.
- Maintain and enhance the area's infrastructure.

Economic

- Strengthen local business and employment capacity.
- Support and encourage sustainable business growth.
- Position the area as a regional strategic location and transport hub.

This proposal identifies the need for suitable commercial premises in the town centre of Cunderdin. By granting temporary approval Council is supporting local business. However, a long-term sustainable solution is needed to enable the business to grow.

Site Inspection:

Site Inspection Undertaken: Not applicable

Triple bottom Line Assessment:

Economic Implications:

The proposed location of the food van near the Museum may attract new visitors to the Museum and the nearby park.

Social Implications

The advertising of a planning application may result in concerns of inequity (ie. paying rates or other overheads) being raised by shop owners and occupiers.

Environmental Implications

As mentioned earlier in this report, suitable arrangements must be made for the disposal of liquid and solid wastes from the operation of the food van in an unserviced location.

Comment

It is unfortunate that a suitable replacement premises cannot be located by the applicant. However, Council needs to be cautious of not creating an undesirable precedent in permitting mobile food vans and the like to operate on road reserves, parks and car parking areas.

Permanent premises that contribute to the town's economy are more preferable than temporary vans on public land. In this instance, it is recommended that this proposal be considered as an interim measure to support this local business whilst locating permanent premises.

Resolution 11.4

That Council;

- 1. APPROVE the operation of the mobile food van by Glen and Lynne Carpenter in Forrest Street, Cunderdin on Shire controlled/owned land for a temporary period of 3 months from the date of determination, subject to the following conditions:**
 - a. The mobile food van must be removed at the close of business each day.**
 - b. No signage may be erected or displayed without the prior approval of Council, and the landowner (e.g. Main Roads). No illuminated or flashing signage is permitted.**
 - c. The applicant is responsible for the removal of all wastes generated from the operation of the food van.**
 - d. All required health approvals must be obtained prior to the commencement of trading.**
 - e. Approval is required from the responsible agency authority, if it is proposed to operate the mobile food van on any land other than land under the control/ownership of the Shire of Cunderdin. Evidence of such an approval must be available upon request.**

- 2. Advise the applicant that a planning application must be submitted to Council in accordance with the provisions of the Cunderdin Town Planning Scheme No. 2 prior to the expiration of the temporary period to continue to operate the mobile food van within the Shire of Cunderdin."**

Loren Clifford returned to the Council chambers at 2:22pm

14 Closure of meeting

There being no further business the Shire President declared the meeting closed at 2:25pm.

Prior to closing the meeting the Shire President acknowledged this as the final meeting for Mrs Loren Clifford, Manager Finance & Administration, who has resigned from Council's employment. The President thanked Loren for her loyal and committed service to the Shire, communities and ratepayers over the past seven (7) years and wished her and family best wishes for the future. Other Councillors concurred with the President's comments.
