Action Required:	Council Decision to WALGA by 28 October 2024 for inclusion in the December 2024 State Council Agenda

WALGA recently undertook a comprehensive review and analysis of 5 ordinary election cycles up to and including the 2023 Local Government election against the backdrop of legislative reforms to the Local Government electoral process. The review and report focused on postal elections conducted exclusively by the Western Australian Electoral Commission (WAEC), with the analysis finding evidence of the rising cost of conducting Local Government elections in Western Australia.

The report was presented to State Council 4 September 2024, with State Council supporting a review of WALGA's Local Government Elections Advocacy Positions.

Since 2008, WALGA has surveyed the sector on five occasions and at all times the sector has supported the following:

- first-past-the-post method of counting votes,
- voting at Local Government elections to be voluntary, and
- four-year terms with a two-year spill.

All Local Governments are now being asked to provide a Council decision on WALGAs advocacy positions as they relate to Local Government Elections, to see if the positions are still current.

To inform an item for the December meeting of State Council, Council decisions are requested by **Monday 28 October 2024**. Local Governments will also be able to provide feedback through the November round of Zone meetings. To assist Councils in compiling their positions, WALGA has drafted a template Agenda Item.

The following is a summary of WALGA’s current Advocacy Positions in relation to Local Government Elections:

2.5.15 ELECTIONS

Position Statement

The Local Government sector supports:

1. Four year terms with a two year spill
2. Greater participation in Local Government elections
3. The option to hold elections through:
 - Online voting
 - Postal voting, and
 - In-person voting
4. Voting at Local Government elections to be voluntary
5. The first past the post method of counting votes

The Local Government sector opposes the introduction of preferential voting, however if ‘first past the post’ voting is not retained then optional preferential voting is preferred.

Background

The first past the post (FPTP) method is simple, allows an expression of the electorate’s wishes and does not encourage tickets and alliances to be formed to allocate preferences.

2.5.16 METHOD OF ELECTION OF MAYOR

Position Statement

Local Governments should determine whether their Mayor or President will be elected by the Council or elected by the community.

State Council Resolution

- February 2022 – 312.1/2022
- March 2019 – 06.3/2019
- December 2017 – 121.6/2017

2.5.18 CONDUCT OF POSTAL ELECTIONS

Position Statement

The *Local Government Act 1995* should be amended to allow the Australian Electoral Commission (AEC) and any other third party provider including Local Governments to conduct postal elections.

Background	Currently, the WAEC has a legislatively enshrined monopoly on the conduct of postal elections that has not been tested by the market.
State Council Resolution	May 2023 – 452.2/2023 March 2019 – 06.3/2019 December 2017 – 121.6/2017 March 2012 – 24.2/2012
