Re: CWA HALL – 47 MAIN STREET, CUNDERDIN.
ZONED: PUBLIC PURPOSES.

I was enquiring as to a possible reduction in the Shire rates charged on this property being used as a meeting place for Volunteer Groups based in Cunderdin. Currently 3 groups are using the premises for their community meetings with hopefully more to join as time progresses.
As the previous owners (Christian Fellowship) were paying a minimal fee of \$99 in the past for many years, I was hoping the Shire could facilitate the same arrangement as the Church Group.
Recently I have spoken to the office staff for clarification on this possible reduction along with Landgate. Landgate informed me that they cannot change the Fees charged and believe that the Shire can only make the final decision.
I paid my share owing on the Property at Settlement and the remaining charges for the remainder of the 23/24 year in good faith, based on the full rates charge.

Thank you for your time and I await your decision.
