

5.3 Harvest & Movement of Vehicles Bans

PURPOSE

To establish clear guidelines for the immediate implementation of Harvest Vehicle Movement Bans due to adverse weather conditions or during emergency situations within the Shire of Cunderdin.

SCOPE

This policy applies to all agricultural and harvesting operations within the Shire of Cunderdin boundaries. In accordance with the Bushfire Regulation 1954, Regulation 24C and 38A.

HVMB IMPLEMENTATION

Regulations and Requirements:

Harvest Vehicle Movement Bans can be implemented under two regulations of the Bushfire Regulations 1954.

- Under Regulation 24C, A Harvest Vehicle Movement Ban shall be imposed when the Weather Conditions are unsafe.
- Under Regulation 38A, A harvest Vehicle Movement Ban can be imposed when harvesting operations could have adverse effects on a situation, this may be due to an incident, resourcing or public holiday or events.

(Please note – definitions are summarised and do not quote the Bushfire Regulations)

IMPLEMENTATION OF HARVEST VEHICLE MOVEMENT BANS UNDER REGULATION 24C

A Harvest Vehicle Movement Ban will be imposed when any of the following conditions occur:

- The Fire Danger Rating reaches or exceeds 40 FBI on the Australian Fire Danger Rating System, anywhere within the Shire of Cunderdin.
- The Fire Danger Rating is likely to reach or exceed 40FBI within the next hour.
- Pre-emptively based on forecasted conditions, generally on days forecasted for Extreme or Catastrophic Fire Danger Rating, but not excluding High Fire Danger Days.
- On days where a Total Fire Ban has been imposed by the Department of Fire and Emergency Services, A Harvest Vehicle Movement Ban must be called when as soon as the FBI reaches 40 on the Australian Fire Danger Rating anywhere within the Shire of Cunderdin.

IMPLEMENTATION OF HARVEST VEHICLE MOVEMENT BANS DURING INCIDENTS UNDER REGULATION 38A

A Harvest Vehicle Movement Ban will be imposed immediately when any of the following conditions occur:

Fire Incidents within the Shire of Cunderdin

- Upon notification of any fires occurring within the Shire of Cunderdin
- The ban applies to the entire Shire regardless of the fire's location within the Shire

Fire Incidents on or near the boundary of the Shire of Cunderdin

- When a fire occurs on the boundary between the Shire of Cunderdin and neighboring Shires where there is potential for the fire to impact the Shire of Cunderdin.
- When 50% or more of the Shire of Cunderdin firefighting resources (BFB Appliances) are deployed to such border incidents.

Fire Incidents requiring resourcing

- When any incident requires the deployment of additional resources or sustain of a significant amount of resourcing, in the opinion of the authority, to ensure an incident is made safe.

Public Holidays/Events

- On Public Holidays and dates previously agreed on at a Bushfire Advisory Committee meeting.
- Or when the Chief Executive Officer, Chief Bush Fire Control Officer or Deputy Chief Bush Fire Control Officer deems it necessary to impose a ban on a select day. This may be due to limited resources, public holidays or other events.

NOTIFICATION PROCEDURES
