Emergency Relief and Support

LEMC background information – 4th quarter 2023-2024

State-wide audit evacuation centres

- Department of Communities (Communities) is conducting audits of the State's nominated evacuation centres.
- The audits are to identify hazard-specific risks relevant to the region and to identify opportunities for local governments to upgrade facilities to mitigate these risks.
- Communities would like to engage with local governments (LGs) and WALGA to discuss opportunities through the Disaster Ready Fund grants for 2025 to improve these facilities and mitigate risks in emergency events.
- Reach out to your Emergency Relief and Support Regional Coordinator or email erspartners@communities.wa.gov.au for more information.

Disaster Ready Fund

Several LGs in Western Australia (WA) submitted applications for the Disaster Ready Fund (DRF) in 2024 to support the improvement of their facilities used as evacuation centres.

Communities had the opportunity to review LGs applications for the Disaster Ready Fund (DRF) provided to the Department of Fire and Emergency Services (DFES) for 2024 and assessed that the projects would contribute to the State's ability to provide emergency accommodation for evacuating communities. All applications were considered suitable to progress for further consideration in the DRF process.

Local EM Information

- Evacuation Centre Training will be a priority for all the regions over the next 6 months. Can all LEMC members please identify staff that require training. Ideally it would be best suited to conduct this training in a gazetted evacuation centre.
- Exercising please ensure that any exercises that occur that the department of Communities are invited. We would be happy to consider an inject to this exercise if it is appropriate.

- Pre-planning undertaken for 3 high threat weather events, that didn't result in activation.
- 457 people were supported during events through our client management system
- 1 active and declared recovery event (under Disaster Recovery Funding Arrangements) - Mariginiup Fire.
- just prior to Christmas 2023, there were 6 activations supported by Communities over just 2 days (20-22 December).
